Stewardship Snapshot

"Each man should give what he has in his heart to give, not reluctantly decided or under compulsion, for God loves a cheerful giver." -2 Corinthians 9:7

Giving to the church is a personal decision between the giver and God, and no one should feel coerced into giving.

In 2 Corinthians 9:7, Paul states that what a person gives should be intentional and purposeful. Gifts of time, talents and treasures should be given freely, not grudgingly or out of necessity. Knowing we have the ability and opportunity to give will bring us joy in the giving.

INTRODUCING a new before worship SING-ALONG JAM session!

Our Heritage musicians will be singing and praising God with some of your favorite songs and hymns before worship from 9:15-9:30am on June 26. Send us your song & hymn requests by emailing Jacob Eppel, jacobe@heritageumc.org. Come to worship early on Sunday, June 26, and sing along with us as we praise God together with music!

Please note: Songs will be included based on musician availability and rehearsal. We won't be able to include every request every JAM session. Our hope is to continue this once a month. We will keep an ongoing song/hymn library of requests.

Water Bottle Ministry

Join us as we extend a helping hand to our friends and neighbors along Quivira this summer with our Good Neighbor Water Bottle Ministry. The receptacles will be on the front lawn of Heritage UMC Memorial Day through Labor Day.

Sign up to replenish water bottles and ice in the receptacles or donate water.

Donut Sunday! June 12

We hope everyone will invite someone to church for donuts and coffee (or lemonade) and then ask them to worship with us after! Ask a friend, neighbor or someone you meet at the grocery store! Let's share the love of Jesus with others!
